HAS A PASSION FOR
NATURE AND GREENERY

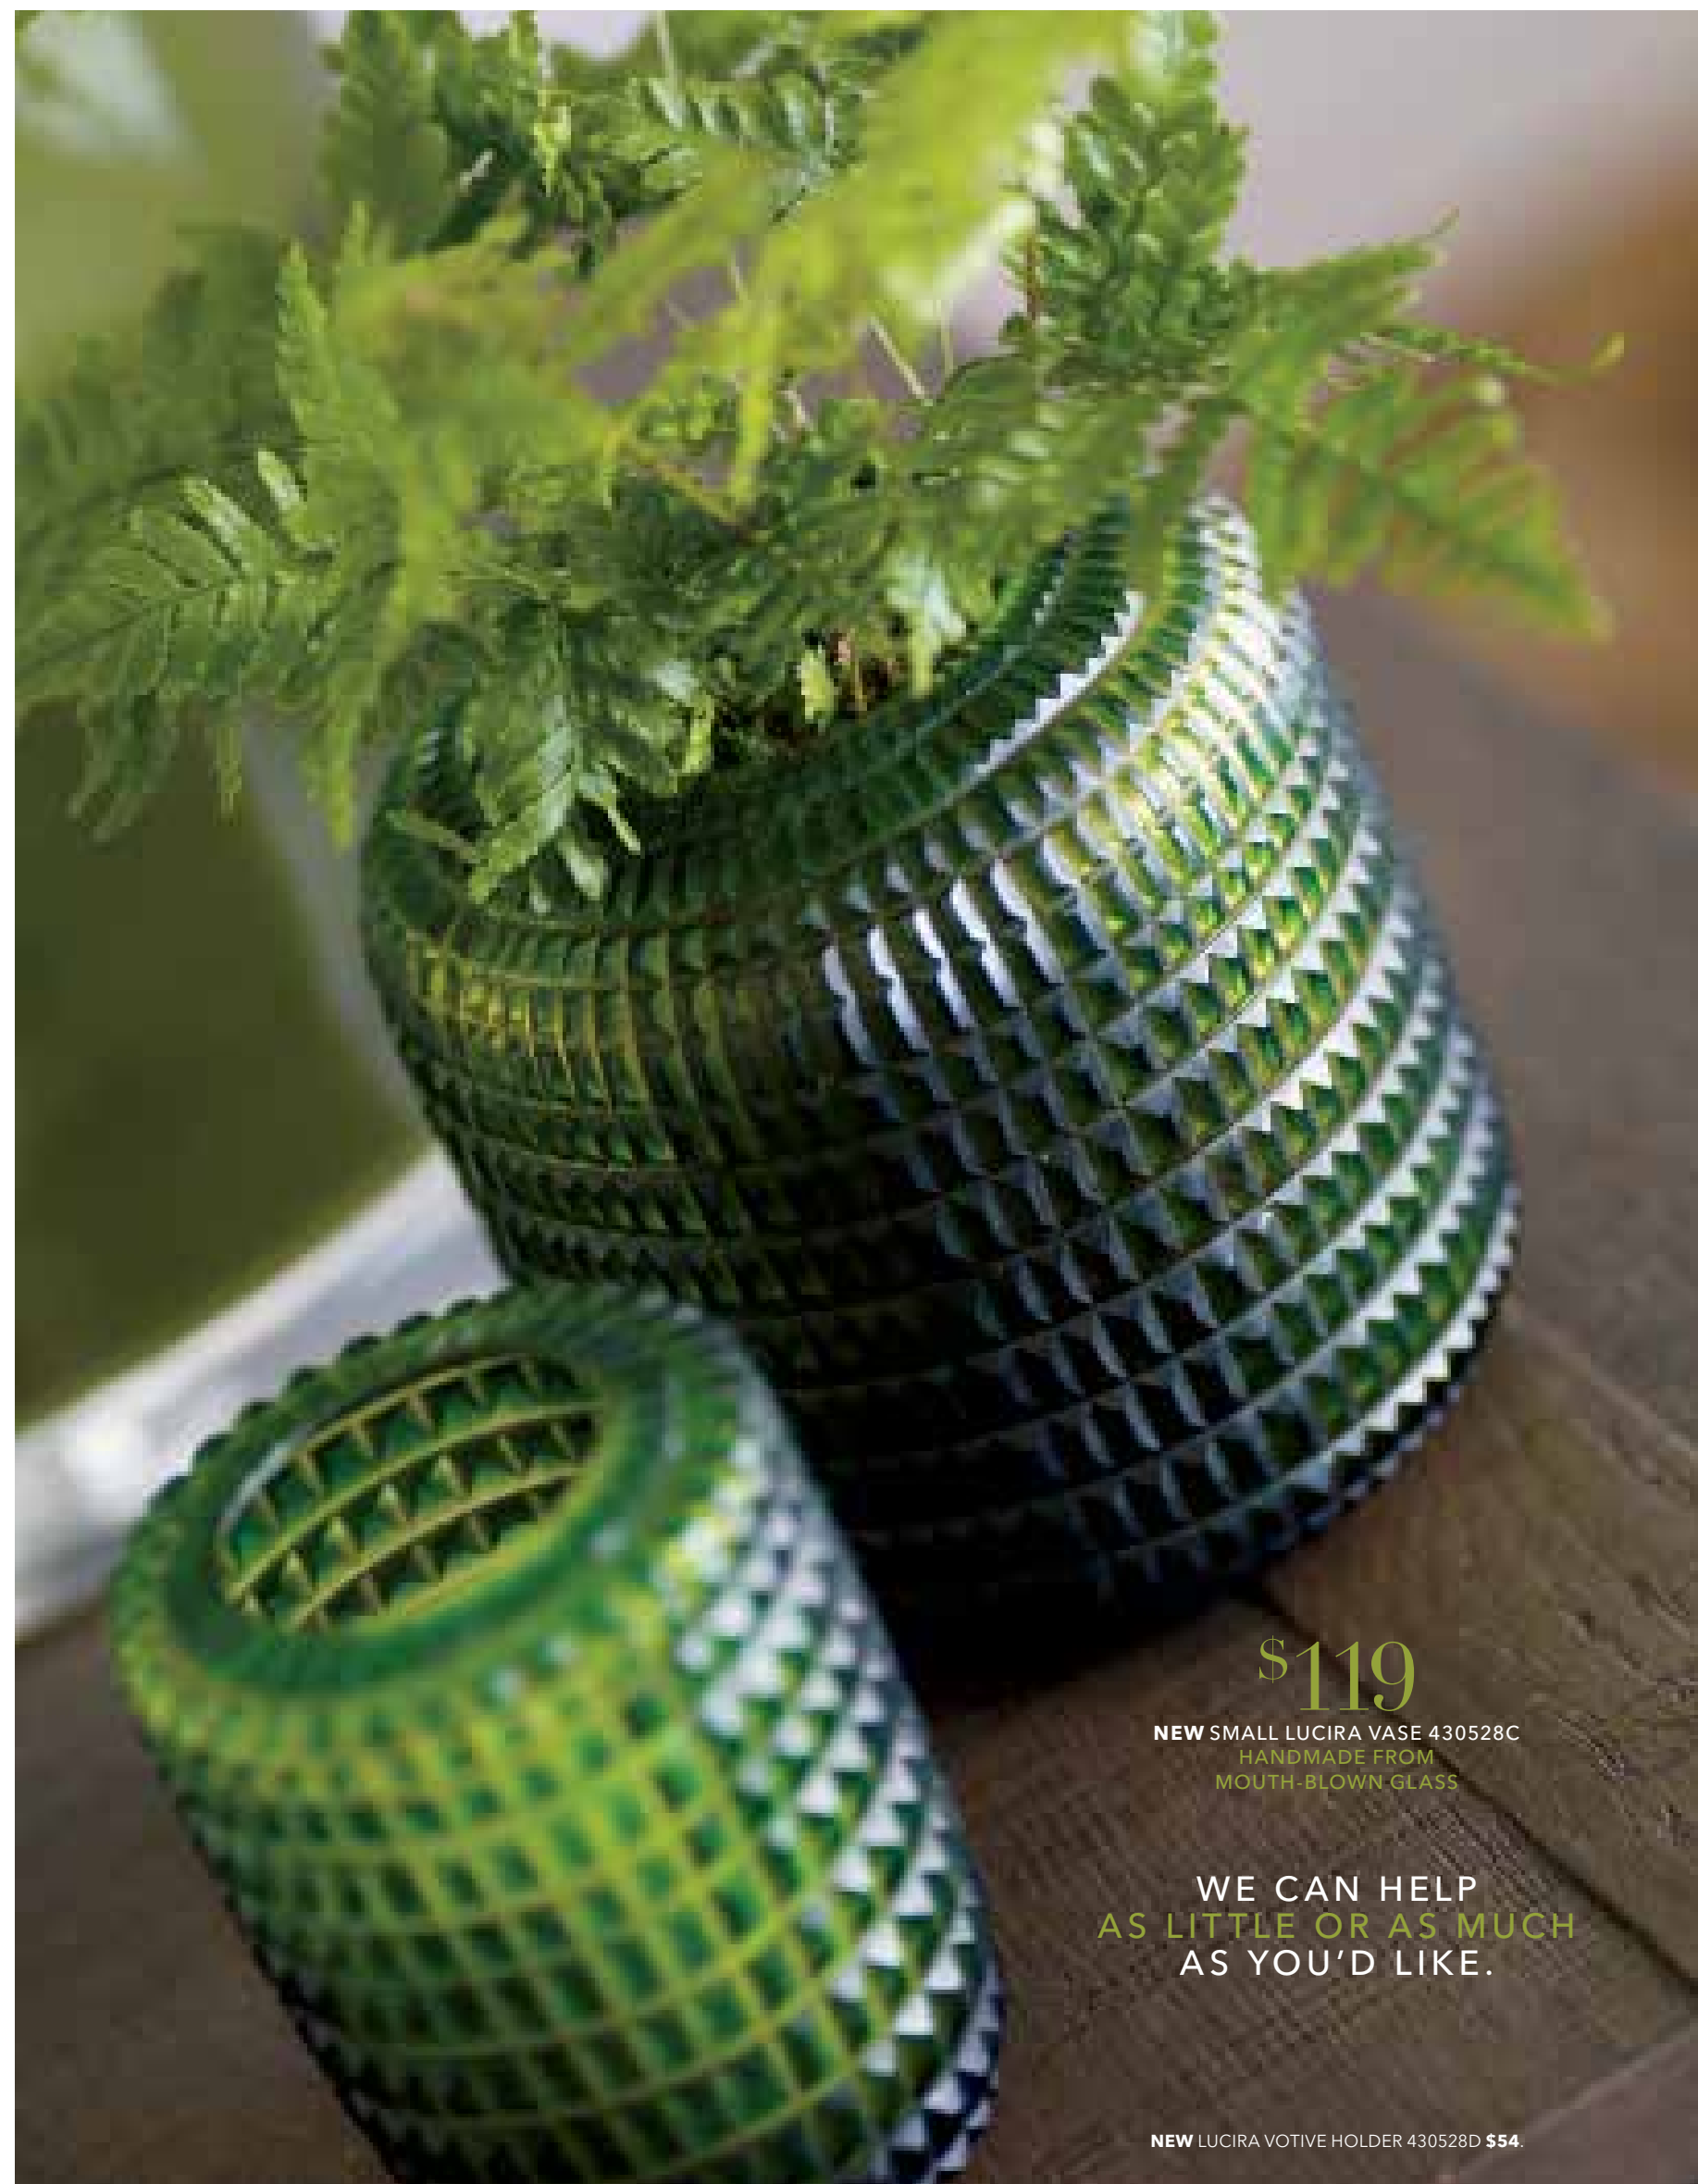

It's seductive in a summery way. Inspired by verdant gardens, its charming, cultivated style comes to life with powerful punctuations of nature-inspired accents, such as emerald green glass vases, pressed botanical artwork, plant-filled apothecary jars, and floral motifs.

IS WHERE—AND HOW—YOU WANT TO LIVE.

It's tradition, with a twist. Infused with European inspiration and Southern charm, its look—a nod to Atlanta's posh suburb—is upscale, uptown, and utterly delightful. Buckhead flourishes beautifully from a mix of hand-tailored upholstery, refined rustic pieces, organic textures, and captivating nature-inspired moments.
